

A webinar on

Minorities' Diminished Returns of Socioeconomic Resources and Psychological Assets

Shervin Assari, M.D., M.P.H.

Health disparities and mental health

Sunday 28 July 2019, 20:30 PM

یکشنبه ۶ مردادماه ۱۳۹۸، ساعت ۲۰:۳۰

Shervin Assari is a health disparities researcher with a particular focus on race, gender, and class. Following holding faculty positions at University of Michigan and UCLA, he recently joined Charles Drew University (Los Angeles) as an Associate Professor of Family Medicine. He has authored 270+ PubMed publications on socioeconomic inequalities of suicide, substance use, depression, and chronic disease.
